

Manage Your Gear – With Confidence

At Cheqroom, we believe in real results – not just promises.

That's why we offer a **12-month money-back guarantee**. If you follow our success plan and don't see measurable improvements in how you manage gear, we'll refund your subscription.

What We Track Together

Operational KPIs

- Time spent managing gear
- Equipment-related costs
- Loss, downtime, and untracked assets

What You Need to Do

- Complete your onboarding with Cheqroom - not skipping steps
- Join monthly optimization sessions with your CSM
- Benchmark gear metrics at kickoff

We'll track the before-and-after together – transparently.

Why We're Confident

Teams that adopt Cheqroom see results fast:

- Fewer lost assets
- Smoother check-outs
- Proactive maintenance
- Time saved on reporting and admin

If you don't – you get your money back.
